March 4, 2018

Introduction - God **STILL** does miracles and wonders! - Job 5:9 NIV

I. The Death Trap - John 11:1-6

\* Thought - Every miracle begins with a problem; difficulty is the soil where miracles grow. E.g. When I preach funerals - Venus Fly Trap

- We don't **UNDERSTAND** how God works - John 11:11-13 - Different perspective and divine strategy
- We get **CONSUMED** with doubt - John 11:16 - Feed doubt or hope
- We **GIVE UP** on God - John 11:17, 20

Question: What in my life is **DEAD** or **DYING**?

II. Death is Never Final - John 11:25-26

- Settle in your heart **WHO** Jesus is - John 11:27 - Expectation versus expectancy - John 11:21-22
- Stop analyzing everything - John 11:38-39 - God is doing something!!
- Start living again - John 11:43-44 NIV

Conclusion - Instead of believing **WHAT I SEE**, I choose to believe **WHAT JESUS SAID!!**
